AmirMohammad Aflatounian

Computer Engineering Student

Sharif University of Technology, Tehran, Iran
+98 914 089 1570
aflatounian.amir@gmail.com
am-afl

Computer Engineering student with experience in teaching assistance, software development, and algorithmic problem solving. Passionate about Artificial Intelligence and Machine Learning, with proven contributions to academic projects and volunteer activities.

Work Experience

Mar 2025 – Aug 2025 **Hojjre Online Shop**, *FullStack Developer*, React & Django frameworks

- Designed and implemented an online silver trading platform with React (Next.js) for the frontend and Django for the backend.
- Developed an admin panel for managing products, silver brands, and dynamic price updates.
- Built features for customer profile management, including address forms, order history, and shopping cart with context-based state management.
- Ensured responsive and user-friendly UI/UX with Material UI and custom components.

Feb 2022 – Mar 2023 **Tapsell and Mediaad Panels**, *Front-End Developer*, Angular framework

- Developed user and admin dashboards for large-scale advertising platforms using Angular.
- Implemented responsive and interactive UI components to enhance usability.
- Contributed to codebase optimization and performance improvements.

Education

2020 – 2025 **B.Sc. Computer Engineering**, *Sharif University of Technology*, Tehran, Iran
GPA: 17.68/20

2018 – 2020 **Mathematics Diploma**, *Sadooghi High School*, Yazd, Iran
GPA: 19.52/20

Research Interest & Projects

Research Interests: Generative AI, Multimodal Learning, Text-to-Image Models, Agentic AI Systems, LLM Tool Integration, LangChain-based Pipelines

Ongoing Project: Development of a text-to-image generation framework with an agentic loop to enhance model performance.

- Designed an iterative loop integrating CLIP-based evaluation and a custom PerceptionEncoder for prompt-image alignment.
- Implemented prompt refinement and regeneration cycles to improve image quality, fidelity, and diversity.
- Focused on advancing agentic AI systems capable of self-correction and autonomous improvement.

Skills

AI/ML Tools	PyTorch, TensorFlow, scikit-learn, NumPy, Pandas, OpenCV, HuggingFace Transformers
LLM Frameworks	LangChain, LangGraph, n8n, OpenAI API, Prompt Engineering
Programming	Java, HTML, CSS, JavaScript, C, Python, SQL
Frameworks	Angular, React, Django
Tools	Git, Docker, Trello, Jira
Languages	Persian (native), English (fluent)

Teaching Assistant Experience

Feb 2025 – Jun 2025 **Machine Learning**, *Sharif University of Technology*
- Contributed to exam preparation and practices.

Feb 2025 – Jun 2025, Oct 2024 – Feb 2025 **Scientific-Technical Presentation**, *Sharif University of Technology*
- Guided students in preparing technical talks and reports on advanced computer science topics.
- Worked with project and practice teams to improve communication and presentation skills.

Oct 2024 – Feb 2025, Oct 2021 – Feb 2022 **Fundamental Of Programming**, *Sharif University of Technology*
- Mentored students in C programming fundamentals, algorithmic thinking, and debugging.
- Designed and graded exercises and semester project.

Feb 2024 – Jun 2024 **Linear Algebra**, *Sharif University of Technology*
- Designed and graded exercises, labs, and semester projects.

Feb 2024 – Jun 2024 **Data Structure**, *Sharif University of Technology*
- Guided students on algorithm analysis, tree/graph structures, and sorting techniques.
- Helped design practice problems to reinforce theoretical concepts.

Feb 2024 – Jun 2024 **Compiler Design**, *Sharif University of Technology*
- Mentored student projects on lexical analysis, parsing, and code generation.
- Reviewed assignments and provided feedback on compiler implementation challenges.

Feb 2022 – Jun 2022 **Advanced Programming**, *Sharif University of Technology*
- Assisted in labs focused on Java and object-oriented design and programming.
- Evaluated student projects on large-scale software engineering.

Awards

2020 Ranked top 0.1% among 150k participants in National University Entrance Exam

Volunteer Activities

2024 Executive Staff, She'r ta Code (Spaghetti Code Contest)

2024 Executive Staff, ICPC Tehran Site

2024 Executive Staff, Winter Seminar Series (WSS)

2022 Executive Staff, ICPC Tehran Site

2022 Executive Staff, CODOCODILE
